The West Bay Woodturners are pleased to announce a demonstration by professional turner Paul Fennell in Gilroy. Paul will provide an all-day demonstration at George Lutz' shop at 2125 Mantelli Drive in Gilroy. The doors will open at 9:00 am. The general public is invited to attend.

Paul Fennell started woodturning in 1970 with his first lathe project: a small table with turned legs, which has been in his home ever since. He is a charter member of the AAW, and focuses on the expressiveness of hollow forms. His work is world renowned for its delicate, ethereal nature. Although he plans to cover design and hollowing, Paul will concentrate on surface embellishment of his signature hollow forms: creating and transferring designs, carving, texturing and piercing. Whether he does piercing, carving or texturing, the final result is breathtaking, and his work is in many galleries.

For information on Paul's methods, see his website at: <http://www.jpaulfennell.com/>. For more information on Paul's demo or workshop, contact Laura Uden, WBAW Program Officer, by email at laura@udenwoodturning.com, or by phone at 408-776-3111.

Directions: Lonnie's shop is located in San Jose, near Hwy 85 and Almaden Expwy. From all directions, get to Hwy 85 via Hwy 101 or Guadalupe Pkwy (Hwy 87). From Hwy 85, take exit 6 (Almaden Expwy) South. Go 1 mile, turn right on Coleman Rd. Go 0.7 miles, turn left onto Maracaibo Drive. Take the first right onto Dry Oak Dr., curve around and take first left to stay on Dry Oak Drive. Turn left at T-junction onto Jenny Lind Court. Lonnie's house is down on the right.
